"Sportsman"
V-drive with
engines.
speed

Model 110.
Convertible 22 ft.,
shown with top down
V-drive. Optional power.

GREATER BOW BUOYANCY is obtained, because centre of gravity is further aft. Boats ride better. **QUIETER OPERATION** from engines placed as far as possible from passengers. No overhead reflection of sound. Shepherd Boats are the quietest made. **ENGINES EASILY ACCESSIBLE** which means servicing is quicker

Model 120S.
24 ft. Convertible 24 ft.
with single or double
engines. Optional power:
speeds up to 47 m.p.h.

SHEPHERD *twenty-four foot*

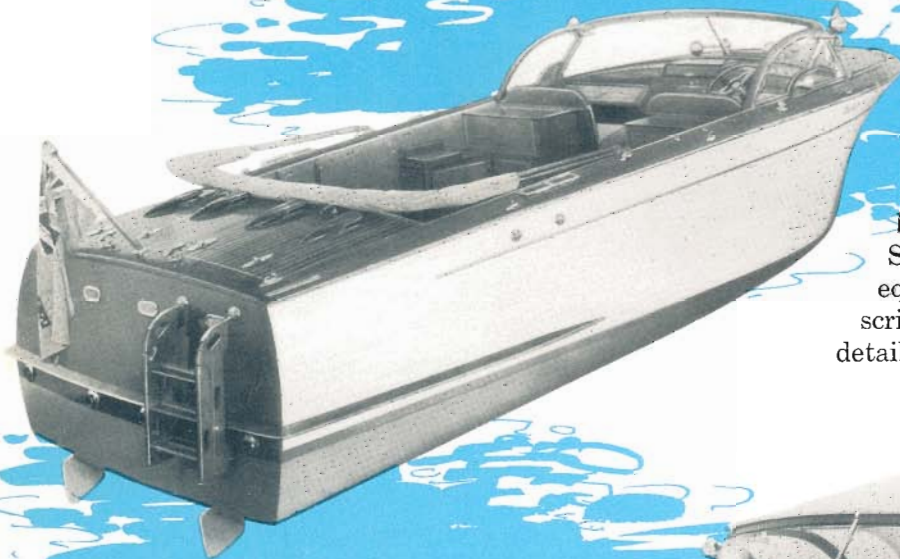

Model 120. Hardtop
24 ft. V-drive with single or
double engines. Optional power:
speeds up to 47 m.p.h.

and lower in cost. Engines can be hoisted out of the boat and repair work done in the shop. **ALL THE FEATURES** of Shepherd Boats add up to smart appearance . . . better value . . . greater comfort . . . and absolute seaworthiness.

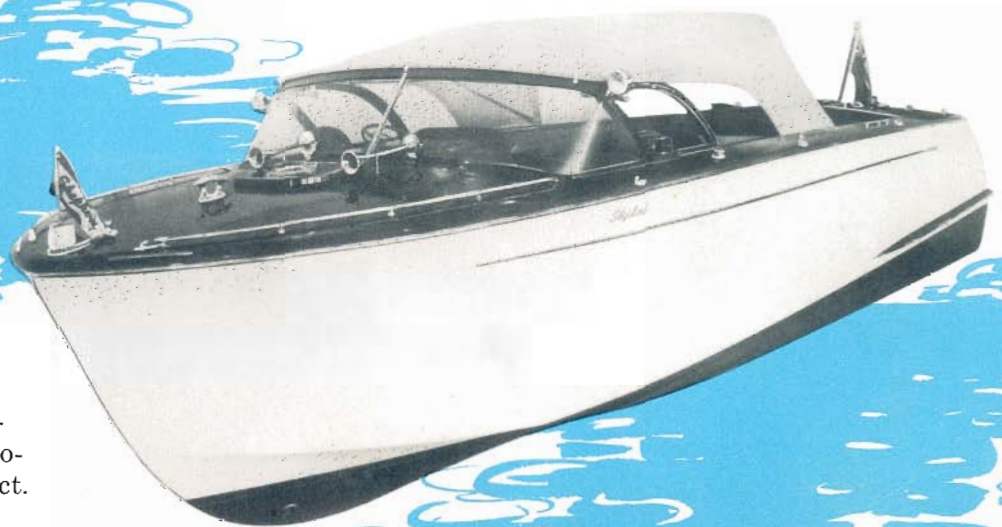

SHEPHERD *twenty-seven foot*

Model 150. Commuter Hard-top 27 ft.: with V-drive and twin motors. Equipped with sleeping quarters: ice box: table: cupboard for dishes and glassware: compartment for stove. Is fitted with sink and toilet . . . has electrically operated water system.

Model 130. Commuter Convertible 27 ft.: shown with top down. This same model is shown in photograph below with top up. Both these Shepherd Boats have similar equipment to Model 150 described above. See note below for details of finish.

All three boats on this page are built in smart, seaworthy designs with double planked bottoms. Ribs and sides are of mahogany. Outside can be had in natural mahogany finish or expertly painted white, blue or green. Contrast of the painted sides with handsome mahogany finished deck, produces a strikingly beautiful effect.

Shepherd -- DIRECT and V-DRIVE RUNABOUTS

Choose the Shepherd that best suits your taste and needs. You'll be sure of a truly fine boat — skillfully engineered and painstakingly built. You'll be sure of dependable, thrilling performance — of economical upkeep — and of grace and beauty that command attention. Yes, Shepherds are built for those who take justifiable pride in the ownership of fine things — yet they're priced within reach of those who must also weigh the cost.

THE SHEPHERD 1955 FEET
